

FAQ's

- Can I customize my child's 99Pledges page?
- How do I access my child's 99Pledges page?
- When should we get started?
- What are the important deadlines for involvement?
- Do I need a paper Tracking Log, and where do I get one?
- What is the money raised being used for?
- How do students earn prizes and what are they?

1. Can I customize my child's 99Pledges page? Yes and no....

- **The written portion? NO.** That needs to remain the same school-wide, according to the platform structure
- **The stock photo of the stick figure above their name? YES.** YOU can add a photo of your child here by accessing the email sent to you on March 11 with 99pledges in the subject line and going to the **LINK in the P.S. portion of it.** (Please note: this is the only link/portal you can use to add the photo!)
- **The \$150 goal? YES,** as many times as you'd like. But WE need to do that for you, so just send a quick email to Jill@theCharterFoundation.org. It takes about 2 minutes...the 1 minute for you to send Jill the email with your child's name with the new goal and 1 minute for Jill to open your email and make the change. Voila! (99Pledges says people will give more if the goal hasn't been met)

2. How do I access my child's 99pledges page? There are two ways...

- **Go to the message sent to your email address that the school uses for you** and search for 99pledges or Spring-a-thon! as keywords, sent on MARCH 11. This has multiple tools for digital outreach, according to your preferences, including sample messages you can modify and email or text to potential sponsors with ease.
- **Go to www.99pledges.com/fund/springathon** and search by your student's **first name**. Each child has a generic page already created w first name + last name's initial. *No customization can be done this way, but it's a way to view their progress.*

3. When should we get started with...

- **Activity choice and planning with your students? Right away! (Yesterday!)** All student's generic pages are already set up, accessed as described in FAQ #2
- **Sponsor outreach? Right away! (Time's a-ticking!)**
 - Either **open the email about "Spring-a-thon!" sent out on March 11** and use those tools to share the message, or
 - access the paper packets already given to each child's **teacher** for them, or
 - visit the www.thecharterfoundation.org/springathon page and click the link for a downloadable PDF of the "Sponsor and Activity Tracking Log" to print for non-digital outreach (call family, ask neighbors, etc, and fill in info)
- **The actual activity chosen by my student? Spring Break! April 3-11** is the time for everyone to get busy doing the Moving, Serving, Creating, or Reading they've chosen and found sponsors for! (More sponsors can still be gathered during this week as well, but EVERYTHING comes to a STOP by midnight on April 11).

4. What are the important **deadlines** for involvement?

- **April 3-11: Spring-a-thon activity week!** Aiming to gather your sponsors by APRIL 3 gives the student the wind in their sails to go for it with their activity
- **April 11: Final deadline for completing your official Spring-a-thon activities!** (through the easy tools of the 99Pledges platform)
- **April 16 (IMPORTANT):** Deadline for collecting and submitting any Cash, Checks and Sponsor/Activity Tracking Logs (only strictly necessary for sponsors' payments that have been tracked and collected outside of the 99Pledges digital platform)

5. Do I need a paper Tracking Log, and where do I get one?

- ***Not unless you are collecting cash or checks, THEN it's essential*** (but they could be empowering tools for students.) The paper Sponsor and Activity Tracking Logs were mainly created as a means to substitute or supplement for the digital/paperless options 99Pledges makes easy through their platform. It's up to you and your child, but if you don't turn one in, kindly email us to tell us how many hours they put in!
- ***Want one? You can get one from your child's teacher***, who received a copy for every child, so just ask them!
- ***You can download and print the "Activity and Sponsor Tracking Log"*** available as a PDF from our event page (listed in logo), or email us to request one.

6. What is the money being raised through the Spring-a-thon being used for?

- *As is true for all Charter Foundation Fundraisers not specifically designated as Fund-a-Need*, Spring-a-thon profits go to Sebastopol Charter School as a undesignated grant, mainly used to pay for Waldorf specialty programming and the maintenance of our permanent campus home.

7. How do students earn prizes and what are they?

- **The three top “Springers” who raise the highest total of sponsorship support** will win one of the following three gift certificates, courtesy of these local businesses who are matching our purchases 1 to 1! 🎉 **Go SCS-friendly businesses!** 🍪
 - **\$150** gift certificate for The Bike Peddler in Santa Rosa
 - **\$150** gift certificate for Art and Soul of Sebastopol
 - **\$150** gift certificate for Peoples’ Music in Sebastopol
- **All students who earn a minimum of \$150 in sponsorships** are entered into a raffle for the following items (with the potential of more additions):
 - A hand-painted baseball cap donated by SCS family business DomChi Designs
 - A painting kit donated by DomChi Designs
 - A yearly Parks Pass from Sonoma County Regional Parks
- **ALL STUDENT PARTICIPANTS** will receive a gift certificate for a free cookie at SCS alumni-owned and staffed Sebastopol Cookie Company!
